Please do not let an inability to contribute the full suggested amount keep you from enrolling your child in programs.

Parents and guardians are welcome at all Wings sponsored events.

**Readsboro Central School
Session III (2011-2012)
Jan. 9 – Feb. 16**

Welcome back from the holiday break. There are some old favorites this Session and some new! Please encourage your children to attend as often as possible. Afterschool programs are so important and fun for all involved - teachers, parents and children alike!

***Please take note.... there WILL be Wings programs on Wednesday this session. We WILL NOT be running programs on Fridays due to the skiing and skating programs.**

***Wings' fee structure is intended to encourage families to contribute what they can afford. Rather than a clear fee for each program, Wings suggests a contribution of \$20 per program (a little more than \$3 per day). We realize that when your child enrolls in multiple programs, and/or you have more than one child enrolling in programs, the suggested contribution may not be possible. We leave the decision to you. Please contribute what you can to help Wings cover the cost of running after-school programs. Our preliminary goal is to have children attend after-school programs. Please do not let the suggested contribution deter you from enrolling your children.**
