Readsboro Session I (2010-2011) (9/13-10/21)

Welcome back to another school year. I hope everyone had a great summer vacation. As is typical for Wings, most of our planned workshops will be outdoors during Session 1. There are a few new programs that I hope you will enjoy. This is a busy time of year for a lot of students as well as our program leaders. I encourage parents to please be on time to pick up your children. As always if you have questions or concerns do not hesitate to give me a call to discuss them.

Wings' fee structure is intended to encourage families to contribute what they can afford. Rather than a clear fee for each program, Wings *suggests* a contribution of \$20 per program (a little more than \$3 per day). We realize that when your child enrolls in multiple programs, and/or you have more than one child enrolling in programs, the suggested contribution may not be possible. We leave the decision to you. Please contribute what you can to help Wings cover the cost of running after-school programs. Our primary goal is to have children attend after-school programs. Please do not let the suggested contribution deter you from enrolling your child/children.
