STAMFORD ELEMENTARY SCHOOL

**2011 – 2012 School Year
SESSION THREE
January 9 - February 10**

Welcome to the first session of the Stamford WINGS Community Programs. We are pleased that we have educational and exciting programs to offer your children.

Wings' fee structure is intended to encourage families to contribute what they can afford. Rather than a clear fee for each program, Wings *suggests* a contribution of \$20 per program (a little more than \$3 per day). We realize that when your child enrolls in multiple programs, and/or you have more than one child enrolling in programs, the suggested contribution may not be possible. We leave the decision to you. Please contribute what you can to help Wings cover the cost of running after-school programs. Our primary goal is to have children attend after-school programs. Please do not let the suggested contribution deter you from enrolling your child/children.
