IRON CHEF

Twin Valley Middle School Session III (2011-2012)

Welcome back to school and to Wings Afterschool Programs!!

Wings will begin on January 9, 2012!

I am excited to begin a new year with some great program offerings. If you have any suggestions for workshops this year, or would like to run a program, please call me at school or home.

Session III will run from January 9, 2012-February 17, 2012

Wings' fee structure is intended to encourage families to contribute what they can afford. It is designed to allow you to make the decision as to that amount. WINGS suggests a contribution of \$20 per program. We realize that when your child enrolls in multiple programs, and/or you have more than one child enrolling in programs, the suggested contribution may not be possible. We leave the decision to you. Please contribute what you can to help Wings cover the cost of running after-school programs. Our primary goal is to have children attend after-school programs. Please do not let the suggested contribution deter you from enrolling your child/children.

Finally, please remember that programs will run until 4:30 and your child will need to be picked up promptly at that time or they may take the 4:45 MOOVER

Contact Information:

Site Coordinator

Telephone: (school) 368-2880 home (464-5712)

Please do not let an inability to contribute the full suggested amount keep you from enrolling your child in programs.

I am able to contribute \$20.00

I am able to contribute \$10.00
