

## Some Special Programs offered from Wings this Winter!!!

### Iron Chef-

Iron Chef is a program a little different from our regular programs. Students sign up on teams with Mr. Paige in the cafeteria and are assigned a coach. The coaches determine a practice schedule with each team. This is a very expensive program to run so we ask that ALL participants contribute the \$20 fee to help offset these costs and send it in with their registration forms. If this causes a financial hardship PLEASE contact Katie in the office for a scholarship.

### Aerial Silks for Peter Pan Production-

The Peter Pan production isn't until spring BUT there is a lot to learn before then about using silks and the performance dances required for such a production. If you are interested in participating in the play and want to learn the silks please see Katie and/or Jobi Dans'y for more information AND fill out your registration form!
