STAMFORD ELEMENTARY SCHOOL

2010 – 2011 School Year
Session 1

September 13 – October 14

Welcome to year two of the Wings After-School Program here at Stamford School. Wings will continue to offer a variety of programs beginning September 13.

Wings' fee structure is intended to encourage families to contribute what they can afford. Rather than a clear fee for each program, Wings suggests a contribution of \$20 per program (a little more than \$3 per day). We realize that when your child enrolls in multiple programs and/or you have more than one child enrolling in programs, the suggested contribution may not be possible. We leave the decision to you. Please contribute what you can to help Wings cover the cost of running after-school programs. Our primary goal is to have children attend after-school programs. Please do not let the suggested contribution deter you from enrolling your child/children.
