## Twin Valley Middle School Session I (2010-2011)

Welcome back to school and to Wings Afterschool Programs!!

Wings will begin on September 13!

We are excited to begin a new year with some great program offerings. If you have any suggestions for workshops this year, or would like to run a program, please call Katie at school or home at the number below.

This year's programming schedule is as follows:

Session I: September 13th-October 14th (5 weeks)

Session II: November 1st – December 9th (6 weeks)

Session III: January 10th – February 17th (6 weeks)

Session IV: March 7th – April 14th (6 weeks)

Session V: May 2nd – May 26th (4 weeks)

Wings' fee structure is intended to encourage families to contribute what they can afford. It is designed to allow you to make the decision as to that amount. WINGS suggests a contribution of \$20 per program. We realize that when your child enrolls in multiple programs, and/or you have more than one child enrolling in programs, the suggested contribution may not be possible. We leave the decision to you. Please contribute what you can to help Wings cover the cost of running after-school programs. Our primary goal is to have children attend after-school programs. Please do not let the suggested contribution deter you from enrolling your child/children.

Finally, please remember that programs will run until 4:30 and your child will need to be picked up promptly at that time or they may take the 4:45 MOOVER
